Participants will need to bring papers of choice: Text or cover weight paper may be used for signatures; 8 ½ x 11 or 9 x 12 or larger format papers that could include : Layout Bond, Tracing, Bristol, Cardstock, Parchment, Arches Text Wove, Watercolor papers, Canson Mi-Tientes, Stonehenge, Rives Lightweight, Rives Heavy weight, Rives BFK, Japanese or other Eastern papers, Plain or Decorative Papers you have made or purchased, etc. Papers may be mixed within a signature.

- Due to the nature of this binding, in order to appreciate the stitching, it is best to make the book with at least 6 or more signatures. Bring enough paper.
- NOTE: If using heavier than text weight papers for signatures, the weight of the paper chosen will determine the number of pages or folios in a signature and the amt of irregularity at the fore edge.

Cover:

Binders Board or 4 ply Museum/Matt board if you want a board cover, also needed with a board cover is a cover material, decorative paper or fabric, **OR** Heavy wt paper (heavier than conventional card stock, like Stonehenge, BFK, or other is recommended) This may be plain or decorative.

Where to find these items...

Most everything is available at Lynn's on Odana Rd, Wisconsin Craft Market in Westgate mall, Michael's, east or west stores, JoAnns, east or west stores, Hobby Lobby south side near Monona or east by East Towne, Univ Book Store on campus or Artist and Craftsmen just off State Street. Most may not know what a fettling knife is, and I will have a few to share. (essentially a dull knife or like a letter opener)
