

# Long Stitch Binding

Jackie Hefty

## Supplies:

Paper: Text weight IE: Masa, Mohawk Superfine, Arches Text

You will need paper for 6 – 8 signatures. Each signature is six folios. Size can be up to you. In order for the spine design to look right, we need to make it this thick.

Example:

Each signature should have 6 sheets and we want either

6 signatures = 36 sheets

Or

8 signatures = 48 sheets

Call if you have questions.

Covers: Black Core Mat Board, Scrap Matt Board, Binder's board

Covers can be any of the above, bring larger than text block (signatures) by 1" or more. We will trim here.
